Small Group Leader Application

Thank you so much for your interest in serving in student ministries at Wenatchee Free Methodist Church. As you know, our student ministry is a small group-focused ministry where students can worship, connect and serve together.

At WFMC, we realize that students learn and grow deeper in a small group setting more than in a large group setting. We organize small groups each year for every student participating, in order to give them a time to grow spiritually in a smaller, more intimate setting. Many students look forward to their small group time each week.

We are looking for small group leaders who first have a passion for the Lord, whether they have been a follower of Christ for their whole life or only for a short while. Second, we are looking for leaders who have a passion for students and their lives; because the relationship with the student is so important in a small group focused ministry. Third, we are looking for leaders who want to share their first passion with their second passion. We want students to see the fire for God in leaders through their relationship with them. We are actively recruiting both *leaders* and *coaches* for the 2009-2010 year.

Leaders are those who will step up for the students and be, in essence, their youth pastor. A pastor is one who shepherds, and that is exactly what you will be doing while you lead a small group. It means making a commitment to mentor each member of your small group, and taking extra time with those students assigned to your small group. **Coaches** are those who have a passion for helping student leaders make the most of their serving experience, and are willing to communicate regularly with their team. Each of these adult leader opportunities are a unique role, with specific responsibilities, so a volunteer will serve as either a leader or a coach, *but not both*.

Elevate and Activate will begin meeting weekly starting in September. Elevate will now meet on Tuesday evenings from 6:30-8:30 pm and include grades 6th through 8th. Activate will now meet on Sunday evenings from 6:30-8:30 pm.

Thank you again for your service to the youth at Wenatchee Free Methodist Church. Please fill out the 2009-2010 ALT application form and return it to the Family Ministries Office.

Sincerely,

Family Ministries Team
