Student Leadership Team (SLT) is about student leaders who are working/ partnering with other student leaders, adult leaders and ministries throughout the church to better serve the body of Christ. SLT provides an active platform to help develop fully formed Christ followers through worship, connection and servanthood. It is an opportunity to identify or exercise a gift or talent while receiving hands-on ministry experience.

SLT can help to equip the student to be a lifelong Christian leader for the work of God's kingdom. This opportunity will ACTIVATE your faith!

Return completed application to WFMC FMT office.

Circle Team(s) you are interested in:

Barnabas

This team will meet every week to write out encouragement cards to students who may be going through a hard time, haven't been to group, or maybe someone who is just on your heart. They will also meet to put together creative ideas to do announcements for youth group whether it is through skit, video or other means. This will also be the team that will mingle and greet new students as well as seasoned students every week at Activate.

Nehemiah

This team will find ways to complete service projects for our church family. There will also be many opportunities to serve in the community as well. The emphasis of this team will be to complete pre-planned activities and projects, with the occasional last minute request as the team can accommodate.

Worship in Music (Additional application on last page)

This year, two teams will be formed who will be rotating weeks, leading worship through music. If you are gifted in musical talent and have a passion for playing music for the Lord, this is your spot to serve.

Sound and Media (Additional application on last page)

This team works alongside the Worship in Music team in setting up the sound equipment and running sound during worship sessions as well as putting media together for slides to go along with the music. They also help when video or slide sermon illustrations are needed. At some times, team members may be asked to help with sound systems during other WFMC functions. If you're good with computers or have a good ear for sound, this is the right team for you.

Prayer

Prayer should be a high priority, yet we all get busy and don't always take our needs to God as we should. This team will meet weekly to pray for Activate, WFMC, the valley and the world. They will also have opportunities to organize and promote worship and prayer events outside of regular Activate gatherings.

Missions Planning

This team will meet to plan our mission trip(s) for the year. They will be working with the FMT to enhance the vision of the mission, giving some input on events planned during the trip, and helping formulate a fundraising schedule and team building plan. If you have a heart for missions, this team is perfect for you.

Creative Arts

This team will meet when needed to work on creating environments for the stage as well as any other decorations that need to happen in the gym/pit area. This team will also work to keep bulletin boards up to date for announcements and activities. If you like to draw, paint, or just decorate, this is the team for you.

Mainstreet Teen Leader and/or Upstreet Teen Leader

There are many service opportunities right here within WFMC's Kids Ministries. Teams are needed for Mainstreet (age 3 to Kindergarten) and Upstreet (ages 1st grade through 5th grade). These teams meet to learn and train in leading kids' ministries and exercise their skills during the Sunday morning gatherings in the kids wing. If relationships and interacting with children are your thing, you have the opportunity to work with kids age 3 through grade 5, as a small group leader. Or if your interests lean more to the dramatic or performance side of things, you could join our large group performance teams. Here you will have the chance to engage in storytelling, song and dance, or drama through skits. This is a fun way to serve God and gain "rock star" status all in one.
