

NEHEMIAH:

Where is My Place on the Wall? Nehemiah 3

How did Nehemiah complete the rebuilding of the wall in just 52 days?

1) He divided up one huge wall into _____ smaller sections

2) He called people to a place on the wall where they would be _____ to serve

3) He made room on the project for _____ and _____:

- Priests (v1, 22, 28)
- Goldsmiths (v8, 31-32)
- Perfume-makers (v8)
- City officials and rulers (v9, 12, 14-15, 19)
- Guards (v29)
- Merchants (v31-32)
- Temple servants (v26, 31)
- Women (v12)

Finding my Place on the Wall:

- 1) Tell God that you're willing to serve Him somewhere on the wall.
- 2) Ask God if He has a specific serving role in mind for you.
- 3) Call our Director of Volunteer Ministries about getting into the game.

If God has given you a Vision:

- 1) Commit to go from “dreaming aspiration to laborious doing.”
- 2) Ask God to help you map out a series of smaller tasks and/or send you someone with the gift of administration who can help you.
- 3) Once you know the first task that needs to be done – do it.
